

Bolivar High School Band
Disney Chaperone Information
 May 31st – June 5th 2010

Dear Band Parents,

Here is the form you will need to fill out for the Disney trip. This form will give me a picture of the tickets you will need for the trip. Please fill in the areas that you need. Rooms are \$321 for three days. Rooms should hold 4 people which works out to \$80 per person. If you would like for me to network you with another chaperone to save the full price of the room, please let me know. The total cost with all items below is \$487 per person.

Please check what you need for the trip. Fill one of these forms out for each non-band member going. Only one person needs to pay for a room of 4. This form will be available on the website. Consider the charter bus fee as \$88 if you are only traveling one way.
